

## ***Dona Schneider, PhD, MPH***

Professor and Associate Dean for Academic Programs  
Edward J Bloustein School of Planning and Public Policy  
Rutgers, The State University of New Jersey  
New Brunswick, NJ 08901–1958

145 Shadybrook Lane  
Princeton, NJ 08540  
609 924-8107

Professor, School of Public Health  
University of Medicine and Dentistry of New Jersey  
Piscataway, NJ 08854

848.932-2945 (voice)  
732.932-6564 (fax)

[donas@rci.rutgers.edu](mailto:donas@rci.rutgers.edu)

### ***Research Interests***

Mortality, morbidity, and high-risk behaviors, especially for youth and minorities

### ***Education***

1990 MPH Rutgers, The State University of New Jersey and University of Medicine and Dentistry of New Jersey, New Brunswick, NJ, Epidemiology  
1988–89 Post-Doctoral Fellow, Rutgers, The State University of New Jersey, Minority Cancer Project  
1988 PhD Rutgers, The State University of New Jersey, New Brunswick, NJ, Geography  
1983 MA Rutgers, The State University of New Jersey, New Brunswick, NJ, Geography  
1979 BA Trenton State College, Hillwood Lakes, NJ, Political Science

### ***Honors***

2011 Recognition for Outstanding Case Study, Healthy People 2020 Successful Practices Project, Association for Prevention Teaching and Research (APTR)  
2009 Member, Planning Committee for Roundtable on Undergraduate Environmental Health Education, Institute of Medicine  
2005 Recognition Award for Service to the Editorial Board, *American Journal of Public Health*  
2004 Recognition Award for Public Service, NJ HIV Prevention Community Planning Group  
2002 Recognition Award for Public Service, Township of Princeton, NJ  
2002 University of Medicine and Dentistry Foundation Teaching Award  
2002 Elected to Delta Omega, Honorary Society for Public Health  
1997 Elected Fellow, American College of Epidemiology  
1996 Special Service Award, Rutgers Academy of Life-long Learning (RUALL)  
1991 Elected to Miami Group for Young Scholars, Association of American Geographers  
1989 Special Service Award, Princeton Joint Environmental Commission  
1985 Jacques M. May Thesis Prize, Association of American Geographers  
1979 Phi Kappa Phi, Summa Cum Laude, Trenton State College

**Grants/Contracts**

- Schneider D. *NJ HIV Prevention and Development Initiative*. NJ Department of Health and Senior Services. Jan 2011–Dec 2013. \$2,431,796.
- Schneider D. *NJ HIV Prevention and Care Initiative*. NJ Department of Health and Senior Services. April 2009–Dec 2010. \$115,000.
- Schneider D. *New Jersey Cancer Research Strategic Planning Initiative*. NJ Department of Health and Senior Services. Nov 2008–April 2009. \$49,000.
- Schneider D. *NJ HIV Prevention and Development Initiative*. NJ Department of Health and Senior Services. Jan 2008–Dec 2010. \$1,796,172.
- Schneider D. *Addressing Unmet Needs of Young Adults with Cancer: A Dialogue*. NJ Commission on Cancer Research. August 2007, \$5,000.
- Schneider D. *2007 Governor's Conference on Cancer Research in New Jersey*. The Cancer Institute of New Jersey. June 2007, \$25,000.
- Schneider D. *State Stimulation and Prioritization of Cancer Research*. NJ Commission on Cancer Research. Feb 2006–Sept 2006. \$13,500. Continuation to May 2007. \$8,000.
- Schneider D. *2005 Governor's Conference on Cancer Research in New Jersey*. The Cancer Institute of New Jersey. Sept 2005. \$25,000.
- Schneider D. *City of Paterson Focus Group Project*. NJIT and the Regional Planning Association. Jan 2006–May 2006. \$10,000.
- Schneider D. *NJ HIV Prevention and Development Initiative*. NJ Department of Health and Senior Services. Jan 2005–Dec 2007. \$1,728,502.
- Schneider D and Greenberg MR. *Community-based Asthma Intervention for Elizabethport, NJ*. Mushett Family Foundation. Oct 2005–Sept 2007. \$334,496.
- Henry N and Schneider D. *Assessing the Proportion of Minority Enrollees in Cancer Clinical Trials in New Jersey*. NJ Commission on Cancer Research. Jun 2003–May 2004. \$2,800.
- Hennessey K and Schneider D. *NJ Oncologists' Understanding and Use of Quality of Life Assessments*. NJ Commission on Cancer Research. Jun–Dec 2003. \$2,800.
- Schneider D. *Topics in Pediatric Cancer Genetics*. NJ Commission on Cancer Research. Jan–Dec 2003. \$2,500.
- Schneider D and Kim J. *Quality of Life Concepts for Delivering Cancer Services*. NJ Commission on Cancer Research. Jan–Dec 2003. \$3,500.
- Schneider D. *NJ HIV Prevention and Development Initiative*. NJ Department of Health and Senior Services. Jan 2002–Dec 2004. \$2,025,000.
- Schneider D. *Program Evaluation Technical Assistance for AIDS Prevention*. Academy for Education Development. Jan–Dec 2002. \$33,305.
- Connolly N and Schneider D. *Enrollment and Retention in Cancer Clinical Trials*. New Jersey Commission on Cancer Research. Sept–Dec 2001. \$4,250.
- Smith S and Schneider D. *Survey of Primary Care Physicians for Best Practices for Cancer Screening*. NJ Commission on Cancer Research. Sept–Dec 2001. \$3,500.
- Adler D and Schneider D. *CARE Public Health Summit II–Pathways to Success*. Medical Society of New Jersey. Oct 2000. \$2,500.
- Schneider D. *Focus Group Pilot Study to Identify Significant Issues for Survivors of Pediatric Cancer*. NJ Commission on Cancer Research in conjunction with the NJ Pediatric Hematology/Oncology Network. Jun–Sept 2000. \$5,000.
- Schneider D. *Cancer Clinical Trial Research Database for the National Cancer Institute*. New Jersey Working Group to Improve Outcomes in Cancer Patients. Apr–Jun 2000. \$2,200.
- Schneider D and Adler D. *CARE Public Health Summit I–Barriers to Success*. Medical Society of New Jersey. Oct 1999. \$2,500.

- Schneider D and Freeman N. *Outreach for Childhood Asthma among Third Graders in Passaic and Newark (PARE!).* Passaic Beth Israel Hospital. Jan 1999–Dec 2002. \$8,000.
- Schneider D and Freeman N. *Asthma Screening Among Elementary School Children in Passaic, NJ.* Passaic Beth Israel Hospital. Sept 1998–May 1999. \$2,000.
- Schneider D and Freeman N. *Prevalence of Asthma among Third Graders in Passaic.* Passaic Beth Israel Hospital. Sept 1997–May 1998. \$2,000.
- Farkas A and Schneider D. *Evaluating Data Fields in a New Occupational Health Data Set.* Lucent Technologies. May–Dec 1998. \$6,500.
- Todd M, Schneider D, and Hill A M. *Evaluating the Impact of Managed Care as a Barrier to Enrollment of Patients in Clinical Trials.* Cancer Institute of New Jersey. Sept–Dec 1998. \$5,000.
- Schneider D. *Undergraduate Teaching Evaluation and Development in a Professional School.* Rutgers, The State University of New Jersey. Jan–May 1997. \$2,000.
- Schneider D and Adler D. *Breast Health Task Force Focus Group Project.* American Cancer Society. Sept 1996–May 97. \$3,650.
- Schneider D. *Training Grant: Computer Access to the New Jersey Cancer Registry.* New Jersey Commission on Cancer Research. Jan–Jul 1996. \$15,000.
- Schneider D. *Teaching Development Grant.* Rutgers, The State University of New Jersey. Jan–May 1996. \$2,000.
- Gallo M and Schneider D. *Extending Cancer Prevention and Control.* Cancer Institute of New Jersey. Jun–Aug 1995. \$1,500.
- Gallo M and Schneider D. *Enhancement of Cancer Prevention and Control Research Programs.* New Jersey Commission on Cancer Research. Sept 1994–May 1996. \$20,400.

### ***Conference Papers, Posters, Seminars and Workshops***

- Undergraduate Public Health Education: Lessons from the Trenches*. Schneider D, Crivelli Kovach A, O'Keefe EB, Crandall LA, Jeffrey J, Arliss R, Trawick C, Scott E, Leiter V, Faraclas WG, Vancour ML, Bauerle Bass S, Gerber D, Koerbel L, Harver A, Perrin KM, Kim H. Abstract and Poster. 2012 National Health Promotion Summit. Washington, DC. April 2012.
- The Pediatric Bladder Is Not Immune to the Effects of Environmental Tobacco Smoke*. Johnson K, Schneider D, Barone JG. Abstract and Poster. Annual Meeting of the American Urologic Association, Atlanta, GA, May 2012.
- Association between Child Temperament and Dysfunctional Voiding*. Berlin Y, Schneider D, Barone JG. Abstract and Poster. Annual Meeting of the American Urologic Association, Atlanta, GA, May 2012.
- Racial and Ethnic Stroke Risk Factor Predictors of Stroke Subtypes: Large Vs. Small Vessel Stroke*. Gezmu T, Schneider D, Demissie K, Lin Y, Shah J, Gizzi M. Poster presentation at the Northeast Cerebrovascular Consortium, Boston, MA, Oct 2011.
- Investigating the Role of Varying Parental Factors In Delayed Toilet Training: A Study On An Increasing Public Health Issue*. Schneider D, Sterling M, Barone JG. Abstract and Poster. Annual Meeting of the American Academy of Pediatrics, Boston, MA, October 2011.

- Evaluation of Pediatric Surveys for Measuring Voiding Dysfunction: Search for a "Gold Standard".* Barone J, Yamato A, Su D, Schneider D. Abstract and Poster. Annual Meeting of the American Urological Association, Washington, DC, May 2011.
- Barone J and Schneider D. The Relationship of Breastfeeding and Other Psychosocial Factors with the Development of Childhood Voiding Dysfunction.* Barone J and Schneider D. Abstract and Poster. Annual Meeting of the American Urological Association, Washington, DC, May 2011.
- What Toilet Training Parameters Are Associated With Dysfunctional Voiding?* Johnson K, Schneider D, Barone J. Podium presentation. First World Congress of Pediatric Urology. San Francisco, CA. May 2010.
- Computer-Based Training Is Effective For Improving Pediatric Urology Residents' Performance On In-Service Examinations.* Johnson K, Barone J and Schneider D. Podium presentation. Annual Meeting of the American Urological Association. San Francisco, CA. May 2010.
- Late Toilet Training Is Associated with Voiding Dysfunction.* K Johnson, D Schneider, N Jasutkar and J Barone. Abstract and Poster. Annual Meeting of the American Academy of Pediatrics, Washington DC, October 2009.
- Is Method of Toilet Training Associated with the Development of Voiding Dysfunction?* D Schneider, K Johnson, N Jasutkar and J Barone. Abstract and Poster. Annual Meeting of the American Academy of Pediatrics, Washington DC, October 2009.
- The Relationship between Breastfeeding and Daywetting.* N Jasutkar, J Barone, D Schneider. Podium presentation. Annual Meeting of the American Academy of Pediatrics. Washington DC, October 2009.
- Nocturnal enuresis and obesity are associated with elevated risks of sleep apnea.* DaJusta D, Gioia K, Schneider D, England S, Hanson C, Barone JG. Abstract and Poster. Annual Meeting of the American Urology Association, Orlando, FL November 2008.
- Bioterrorism Epidemiology.* Workshop for the NJ Department of Health and Senior Services. Waretown, NJ. July 2008.
- Surveillance?* Keynote speaker for DIMACS, Program for Teachers of Science and Mathematics. Somerset, NJ. July 2008.
- Children's Environmental Health.* D Schneider. Workshop for the New York City Department of Health Bureau of Children's Health. New York, NY. June 2008.
- Assessing Children's Environments: Reducing Risk in a Dangerous World.* Workshop for the New York City Department of Health Bureau of Children's Health. New York, NY. June 2008.
- Early Warning of an Outbreak of Chemical Attack.* D Schneider. Workshop for the Homeland Security Center at Dynamic Data Analysis (DyDAn). DIMACS. Piscataway, NJ. June 2007.
- Local Government Involvement in Community Food Systems: a Case Study of Distressed New Jersey Cities.* D Schneider and Y van der Meulen Rodgers. Paper for Annual Meeting of the Middle States Division of the Association of American Geographers. New Brunswick, NJ. October 2006.
- A Retrospective Occupational Cohort Study Of End-Stage Renal Disease In Aircraft Workers Exposed To Trichloroethylene and Other Hydrocarbons.* L Radican, D Wartenberg, G Rhoads, D Schneider, R Wedeen, P Stewart and A Blair. Poster for Annual Meeting of the International Society of Environmental Epidemiology. Paris. September 2006.
- Knowledge and Use of Health Related Quality of Life (QOL) Assessment Tools by NJ Oncologists and Oncology Nurses.* AM Hill, D Schneider, W Budin. Poster for World Cancer Congress, Washington, D.C. July 2006.
- Practice Protocols and Selection Criteria for Prescribing Dental Radiographs.* M L Kantor and D Schneider. Poster for Annual Meeting of the American Academy of Dental Radiology. Orlando, FL. March 2006.

- Intrapartum and Neonatal Factors Predicting Brain Injury among Extremely Premature Infants.* C W Benito, D F Schneider and M I Hiatt. Poster for American College of Obstetrics and Gynecology Annual Meeting. San Francisco, CA. May 2005.
- Minority Participation in Cancer Clinical Trials in New Jersey.* N Henry-Tooke, D Schneider and AM Hill. Poster for Annual Retreat on Cancer Research in New Jersey. Princeton, NJ. April 2005.
- Elderly Recruitment into Cancer Clinical Trials in New Jersey.* N Henry-Tooke, D Schneider and AM Hill. Poster for Annual Retreat on Cancer Research in New Jersey. Princeton, NJ. April 2005.
- Assessing Quality of Life in NJ Oncology Practices.* K Hennessy, W Badin, D Schneider and AM Hill. Paper for Annual Retreat on Cancer Research in New Jersey. Princeton, NJ. April 2005.
- Factors Considered By Dentists When Obtaining Radiographs—A Pilot Study.* M L Kantor and D Schneider. Poster for American Association for Dental Research. Baltimore, MD. March 2005.
- Community Efforts at Asthma Reduction.* D Schneider. Seminar for Women in Science Symposium. EOHSI, Piscataway, NJ. November 2004.
- People and Pipelines: Environmental Equity in Four Texas Cities.* Paper for Annual Meeting of the Middle States Division, AAG. Villanova, PA. October 2004. S M Macey and D Schneider.
- Epidemiologic Aspects of Bioterrorism and Emergency Response Preparedness.* Fourteen full-day workshops for public health and emergency response personnel in New Jersey. Given throughout the state for the NJ DOH. D Schneider. Mar–Dec 2004.
- New Jersey Oncologists' Use of Quality of Life Assessment.* K Hennessy, W Badin, D Schneider, AM Hill. Poster for New Jersey Public Health Symposium, New Brunswick, NJ. Apr 2004.
- Then and Now: Public Health Aspects of Respiratory Disease.* D Schneider. Plenary presentation for Annual Meeting of the New Jersey Society of Respiratory Care. Atlantic City, NJ, Oct 2003.
- Childhood Leukemia Incidence, Population Mixing and the Delayed Infection Hypothesis in US SEER Data.* D Wartenberg, D Schneider and S Brown. Paper for Society for Epidemiologic Research. Atlanta, GA, Jun 2003.
- Foundlings, Asylums, Almshouses and Orphanages: The Diffusion of Child Protection.* Paper. D Schneider and S Macey. Paper for Annual Meeting of the Middle States Division, AAG. Montclair, NJ. Oct 2002.
- Enrollment and Retention in Cancer Clinical Trials.* N Connolly, D Schneider and AM Hill. Poster for Annual Retreat on Cancer Research in New Jersey. Princeton, NJ. Apr 2002.
- Survey of Primary Care Physicians for Best Practices for Cancer Screening.* S Smith, D Schneider and AM Hill. Poster for Annual Retreat on Cancer Research in New Jersey. Princeton, NJ. Apr 2002.
- Cancer Epidemiology for Public Health Practitioners: Rates, Risks and Resources.* D Schneider. Four all-day workshops for New Jersey Department of Health and Human Services. New Brunswick, NJ. Dec 2001; Jan, Feb and Mar 2002.
- Children's Environmental Health.* D Schneider. Seminar for Rutgers Academy for Lifelong Learning. Highland Park, NJ. Sept 2001.
- Assessing the Child's Home Environment.* D Schneider and N Freeman. Day-long workshop for Annual Meeting of School Nurses. Rome, GA. May 2001.
- Making the Environment Safer for Our Children.* D Schneider. Day-long workshop for Current Health Trends: Families and Children at Risk. Maternal Child Health Bureau, USDHHS. Chattanooga, TN. May 2001.
- Surviving Childhood Cancer: Issues for Advocacy and Research.* D Schneider, Huang J and the New Jersey Hematology/Oncology Network. Poster for Annual Retreat on Cancer Research in New Jersey. Princeton, NJ. Apr 2001.
- Physician Data Query (PDQ): Online Access to Information about Cancer Clinical Trials.* D Schneider, S Chowdhury and AM Hill. Poster for Annual Retreat on Cancer Research in New Jersey. Princeton, NJ. Apr 2001.

- Creating a Data Base for Cancer Clinical Trials in New Jersey: a National Cancer Institute Pilot Program.* S Chowdhury, D Schneider and AM Hill. Poster for Sixth Annual Public Health Symposium. Piscataway, NJ. Apr 2001.
- Assessing Public Health in Brownfields Neighborhoods.* D Schneider. Paper for Annual Meeting of the Association of American Geographers. Boston, MA. Mar 2001.
- Characteristics of Oral and Maxillofacial Radiology Departments in U.S. and Canadian Dental Schools.* M L Kantor, D Schneider, and M K O'Carroll. Poster for Annual Meeting of the American Academy of Oral and Maxillofacial Radiology. Nashville, TN, Nov 2000.
- Focus Group Study to Determine Issues for Long-term Childhood Cancer Survivors.* D Schneider, J Huang, K Palanisamy and the New Jersey Hematology/Oncology Network. Poster for Cancer Survivorship Throughout the Lifespan: Challenges for the 21<sup>st</sup> Century. National Cancer Institute. Atlantic City, NJ. Oct 2000.
- The Whisper of the Ax: Homicide in Pre-industrial New Jersey.* D Schneider. Paper for Annual Meeting of the Middle States Division of the Association of American Geographers Wilkes Barre, PA. Oct 2000.
- Field Conditions for Agricultural Workers in the El Paso, Texas Region.* D Schneider, M Robson, C Marentes, and E Villanueva. Paper for 9<sup>th</sup> International Symposium in Medical Geography. Montreal, Canada, Jul 2000.
- Children at Risk.* Session respondent. D Schneider. Conference on Environmental Health in the 21<sup>st</sup> Century. D Schneider. EOHSI. Piscataway, NJ. Jan 2000.
- Child and Adolescent Nutrition.* D Schneider. Director's Seminar for EOHSI. Piscataway, NJ. Dec 1999.
- A Community-based Approach to the Study of Childhood Asthma Prevalence.* E Ziff, V R Tolentino, L Ward, D Schneider, N Freeman, M Ruocco. Poster for Annual Meeting of the American Public Health Association, Chicago, IL. Nov 1999.
- The Risk of Invasive Cervical and Breast Cancers in Women with AIDS: New Jersey as a Case Study.* M Latsko, S Paul, S Costa, R Cody, L Roche, and D Schneider. Poster for Annual Meeting of the American Public Health Association, Chicago, IL. Nov 1999.
- Innovative Ways to Do Project Evaluation.* D Schneider. Workshop for Robert Wood Johnson Foundation–New Jersey Initiatives. Princeton, NJ. Jan 1999.
- Community Health Issues–the Big Picture.* D Schneider. Paper for Conference on Redefining Public Health and Brownfields, Rutgers University, New Brunswick, NJ. Dec 1998.
- Should We Ignore Smoking Because We Have Violence in the Schools?* J Morris and D Schneider. Poster for Annual Meeting of the American Public Health Association. Washington, D.C. Nov 1998.
- Determination of the Risk of Invasive Cervical Cancer and the Risk of Breast Cancer in Women with AIDS in the State of New Jersey.* M Latsko, S Paul, S Costa, R Cody, L Roche, and D Schneider. Poster for Annual Meeting of the New Jersey Public Health Association, Somerset, NJ. Oct 1998.
- Data from a National Source Confirm Regional Trends in Prostate Cancer Epidemiology.* A Farkas and D Schneider. Poster for 8<sup>th</sup> International Symposium in Medical Geography. Baltimore, MD. Jul 1998.
- PARE! Assessing Asthma Prevalence in Passaic, New Jersey.* E Ziff, V Tolentino, D Schneider, N Freeman, and M Rocco. Poster for Conference on Working Together to Combat Urban Asthma Conference. New York Academy of Medicine, New York, NY. May 1998.
- National Trends in Prostate Cancer Epidemiology, 1973–1994, and the Evidence for the Efficacy of Screening with Prostate Specific Antigen.* A Farkas, D Schneider, M Perrotti, K B Cummings, W S Ward. Poster for Annual Retreat on Cancer Research in New Jersey. Princeton, NJ. May 1998.
- Shift in Age at Diagnosis of Prostate Cancer Patients Suggests That African Americans Are Not Being Screened with Prostate Specific Antigen.* A Farkas, D Schneider, M Perrotti, K B Cummings, W S Ward. Poster for Annual Meeting of the American Association for Cancer Research. New Orleans, LA. Mar 1998.

- Differences in Age at Diagnosis in Whites and African Americans Before and after the Advent of Prostate Specific Antigen Screening.* A Farkas, D Schneider, K B Cummings, W S Ward. Poster for Annual Meeting of the American College of Epidemiology, Annual Scientific Sessions. Boston, MA. Sept 1997.
- Sources of Excess Prostate Cancer Mortality among African Americans.* A Farkas, D Schneider, D Burno, KB Cummings, WS Ward. Seminar for Department of Surgery, RWJ University Hospital. New Brunswick, NJ. Apr 1997.
- Locational Aspects of Elderly Suicide.* S M Macey and D Schneider. Paper for Annual Meeting of the Association of American Geographers. Fort Worth, TX. Apr 1997.
- Balls, Bikes, Beaches, and Burns: Patterns of Childhood Injury.* D Schneider. Paper for Annual Meeting of the Middle States Division of the Association of American Geographers. Philadelphia, PA. Oct 1996.
- Region of Birth and African-American Diets.* M Greenberg and D Schneider. Paper for Harlem Center for Health Promotion. New York, NY. Sept 1996.
- Regional Variation in Cardiovascular Mortality in the United States.* M Greenberg and D Schneider. Paper for Annual Meeting of the American Society of Hypertension. New York, NY. May 1996.
- Migration and Heart Disease Mortality Among American Blacks.* D Schneider and M Greenberg. Paper for Annual Meeting of the Association of American Geographers. Charlotte, NC. Apr 1996.
- Spatio-temporal Trends in Elderly Heat-related Mortality.* S M Macey and D F Schneider. Paper for Annual Meeting of the Association of American Geographers. Charlotte, NC. Apr 1996.
- Medical Geography as Epidemiology.* D Schneider. Seminar for Department of Geography. University of Delaware. Newark, DE. Feb 1996.
- Planning for Children in the City.* D Schneider. Seminar for Bloustein School for Planning and Public Policy. New Brunswick, NJ. Feb 1996.
- Esophageal Cancer Mortality Among Black Americans: A Southern-Born Legacy of Increased Risk.* D Schneider and M Greenberg. Paper for Eighteenth Annual Applied Geography Conference. Arlington, VA. Nov 1995.
- Early Environmental Exposures Linked to Diabetes Mellitus: A Study of African-American Migration.* D Schneider, M Greenberg, and L Lu. Paper for Annual meeting of the Middle States Division of the Association of American Geographers. Canandaigua, NY. Oct 1995.
- New Jersey Hospice: History and Prospects.* D Schneider. Seminar for Environmental and Occupational Health Sciences Institute. Piscataway, NJ. May 1995.
- Dying of Cold in the Sunbelt: Elderly Hypothermia Mortality Rates.* S M Macey and D F Schneider. Paper for Annual Meeting of the Association of American Geographers. Chicago, IL. Mar 1995.
- The Role of Place in Childhood Injury Deaths.* D Schneider. Paper for Annual Meeting of the Association of American Geographers. Chicago, IL. Mar 1995.
- Neighborhood Quality.* M Greenberg and D Schneider. Seminar for New Jersey Department of Environmental Protection and Energy. Trenton, NJ. Jan 1995.
- Population Migration and Minority Cancer: The Case of New Jersey African-Americans.* M Greenberg and D Schneider. Paper for Demographic Trends, Minority Cancer and Cancer Prevention in New Jersey: Research Needs. Piscataway, NJ. Dec 1994.
- Vital Statistics, Rates, and Ratios for Medical Geographers.* D Schneider. Workshop for Annual meeting of the Association of American Geographers. San Francisco, CA. Mar 1994.
- Living and Dying with Violence: Death Risks in an Abandoned City.* D Schneider, M Greenberg and D Choi. Paper for Annual Meeting of the Association of American Geographers. San Francisco, CA. Mar 1994.
- Meeting Public Health Goals for Children: Urban, Suburban, and Rural Differences.* D Schneider. Paper for Annual Meeting of the Middle States Division of the Association of American Geographers. Newark, Del. Oct 1993.

- Neighborhood Quality and Multiple Risks: A Hypothesis.* M Greenberg and D Schneider. Paper for Social Science of Risk Lecture Series. Center for Environmental Communication. New Brunswick, NJ. Oct1993.
- Environmental Links to Childhood Cancers.* D Schneider. Workshop for New Jersey Department of Environmental Protection and Energy. Trenton, NJ. Nov 1992.
- Cancer Clusters: Investigating Multiple Geographic Scales.* D Schneider and M R Greenberg. Paper for International Medical Geography Symposium (AAG/CAG/ IBG/IGC). University of North Carolina, Charlotte, NC. Aug1992.
- Campus Environment as a Contributor to Student Health-Risk Behaviors.* J Morris and D Schneider. Paper for Meeting of the Society for Public Health Education. Austin, TX. Jun 1992.
- Environmental Risk Factors in Pediatric Cancer.* D Schneider and M H Donaldson. Paper for Women and Children: Preventive Medicine III (UMDNJ/Cooper Hospital). Atlantic City, NJ. May 1992.
- Pediatric Cancer Incidence in New Jersey and Four SEER States.* D Schneider and M R Greenberg. Paper for Annual Meeting of the Association of American Geographers. San Diego, CA. Apr 1992.
- Universities as Resources to State Environmental Agencies.* J Morris, D Schneider and M R Greenberg. Paper for Annual Meeting of the American Public Health Association. Atlanta, GA. Nov 1991.
- Universities as Resources to State Health Agencies.* J Morris, D Schneider, and M R Greenberg. Paper for Annual meeting of the American Public Health Association. Atlanta, GA. Nov 1991.
- Childhood Cancer Epidemiology in New Jersey.* D Schneider. Seminar for New Jersey Pediatric Hematology/Oncology Network. UMDNJ/RWJ University Hospital, New Brunswick, NJ. Sept 1991.
- Senior Citizens and Fast Food.* J Morris, D Schneider and S Macey. Paper for Annual Meeting of the Society for Public Health Education. Long Beach, CA. Jun 1991.
- Structures in the American Study of Medical Geography.* M Meade and D Schneider. Paper for Annual Meeting of the Association of American Geographers. Miami, FL. Apr 1991.
- Preventable Deaths Among the Elderly in the United States.* S M Macey and D Schneider. Paper for Annual Meeting of the Association of American Geographers. Miami, FL. Apr 1991.
- Cancer in Minority Populations in New Jersey.* M Greenberg and D Schneider. Seminar for New Jersey Department of Health. Trenton, NJ. Jan 1991.
- Pediatric Cancer Incidence in New Jersey.* D Schneider and M R Greenberg. Poster for Annual Retreat on Cancer Research in New Jersey. Princeton University, Princeton, NJ. Oct1990.
- Temperature and Neglect Related Deaths Among the Elderly in Texas.* S M Macey and D Schneider. Paper for Annual Meeting of the Southwest Division of the Association of American Geographers. Austin, TX. Oct1990.
- Comparisons of the Canadian and United States Health Care Systems.* D Schneider. Workshop for Annual Meeting of the Association of American Geographers. Toronto, Canada. Apr 1990.
- Pediatric Cancer Mortality in New Jersey and the United States, Ontario and Canada.* D Schneider and C Hampson. Paper for Annual Meeting of the Association of American Geographers. Toronto, Canada. Apr 1990.
- Comparison of Pediatric Cancer Mortality Rates in New Jersey and the United States: 1950–1985.* D Schneider and M R Greenberg. Seminar for New Jersey Pediatric Hematology/Oncology Network. UMDNJ/RWJ University Hospital, New Brunswick, NJ. Jul 1989.
- The Impact of Tourism on Emergency Health Care: New Jersey.* D Schneider. Paper for Annual Meeting of the Association of American Geographers. Portland, OR. Apr 1987.
- Planned Out-of-Hospital Births.* D Schneider. Paper for 1<sup>st</sup> International Symposium in Medical Geography. Nottingham, U.K. Jul 1985.

***Academic Positions/Professional Memberships and Service***

American College of Epidemiology (ACE): Member (1992–2008; Fellow (1997–2008)

American Public Health Association (APHA): Member (1984–2008)

Association for the Care of Children's Health (ACCH): Member (1994–2000)

Association of American Geographers (AAG): Member (1983–Life)

*Medical Geography Specialty Group:*

Interim Board Member (2003–04)

Program Chair, 8<sup>th</sup> International Symposium in Medical Geography (1997–1998)

Chair (1994–1996)

Secretary-Treasurer (1992–1994)

Chair, Jacques May Thesis Prize Committee (1989–1994)

Bylaws Committee (1992)

Program Committee, 5<sup>th</sup> International Symposium in Medical Geography (1992)

Councilor (1989–1992)

Coordinator, 2<sup>nd</sup> International Symposium in Medical Geography (1986)

*Middle States Division:*

President (1997–1998)

Vice-President (1996–1997)

Secretary-Treasurer (1995–1996)

Cancer Institute of New Jersey (CINJ): Member (1997–2008)

Center for Community Mapping: Secretary/Treasurer (2006–2009)

Environmental and Occupational Health Sciences Institute (EOHSI): Member (1992–pres)

Director, Environmental Policy Division (2000–pres)

Epidemiology Society of Delaware and Hudson Valleys: Member (2001–04)

Institute for Health, Health Care Policy and Aging Research: Associate Member (1992–pres)

New Jersey Commission on Cancer Research, Advisory Group on Cancer Prevention and Control:

Member, (1992–2004), Chair, (1997–2002)

New Jersey Department of Health and Senior Services, Surveillance and Biomonitoring Committee:

Member (2002–2006)

New Jersey Pediatric Hematology/Oncology Network (NJPHON): Member (1990–2000)

Society for Epidemiologic Research (SER): Member (1991–2000)

Project for Economics and Children: Faculty Associate (2006–2008)

Society for Pediatric Epidemiologic Research (SPER): Member (1991–2000)

Transplant Speakers International (TSI): Member, Advisory Board (2001–pres)

UMDNJ–School of Public Health; Professor (co-terminus appointment, 2001–pres)

*Editorial Positions*

*American Journal of Public Health*: Associate Editor (1998–2001)

*Archives of Environmental Health*: Guest Managing Editor (Nov 2002–Nov 2003); Science Editor (Oct 2004–Oct 2005)

*Complementary Health Practice Review*: Book Review Editor (1999–2002)

*Middle States Geographer Journal*: Editor (1995–96); Editorial Board (1996–2000)

*Social Science and Medicine*, Advisory Editor (1996–2006)

*Peer Reviews (articles, books and grant proposals)*

Agency for Toxic Substances and Disease Registry (ATSDR), *Advocate*, *American Journal of Public Health*, Arnold Publishers, *Cancer*, Cancer Institute of New Jersey, *Complementary Health Practice*

*Review, Environmental Hazards, Environmental Health Perspectives, Geoforum, Great Lakes Geographer, Health and Place, John Wiley and Sons, Journal of Health Care for the Poor and Underserved, Journal of Poverty, McGraw Hill Higher Education, Middle States Geographer Journal, National Geographic Society, National Science Foundation, Professional Geographer, Rutgers University Press, Sage Publications, Social Science and Medicine, Social Science Quarterly, Society of Pediatric Epidemiologic Research, Statistics in Medicine*

## **Teaching**

### *Undergraduate courses (by Department)*

#### Environmental Science

Principles of Epidemiology

#### Geography

Physical Geography, Conservation of Natural Resources, Culture and Environment, Geography of New Jersey, Medical Geography

#### Planning and Public Policy

Ethics for Planning and Public Policy, Internship with Seminar

#### Public Health

Introduction to Public Health, Epidemiology, Public Health Literature, Public Health Law and Ethics, Environmental and Occupational Health, Field and Research Practicum

#### Urban Studies

Introduction to Urban Studies, Social Public Policy, Applied Quantitative Methods, Internship

### *Graduate courses (by School)*

#### Bloustein School of Planning and Public Policy

Epidemiology for Health Policy and Planning

#### School of Public Health

Principles and Methods of Epidemiology, Biostatistics, Introduction to Outcomes Research, Classic Papers in Epidemiology

### *Non-credit courses*

Principles of Epidemiology. Full course, SuperCourse (Jun 2002–pres). <http://www.pitt.edu/~super1/courses/coursepage.htm>

- Translated into Spanish by Professor N Padilla, Facultad de Enfermería de Celaya, Universidad de Guanajuato, México (Oct 2003–pres)
- Translated into Chinese by various scholars under the direction of Professors J Huang and J Xu (Jan 2007–pres)

Introduction to Cancer Epidemiology. Short course, SuperCourse in English (Dec 2002–pres) <http://www.pitt.edu/~super1/lecture/lec7231/001.htm>

- Translated into Spanish by Professor N Padilla, Facultad de Enfermería de Celaya, Universidad de Guanajuato, México (Aug 2004–pres)

### *Graduate student thesis supervision:*

#### *In progress*

Jay Blum, MD, PhD candidate (Public Health)–chair  
Tito Gezmu, PhD candidate (Public Health)–chair

- Mitchel Rosen, PhD candidate (Planning and Policy Development)–chair  
Eric Lauer, PhD candidate (Public Health)–chair  
Neetu Jain, PhD candidate (Public Health)–chair  
Kristen Fessel, PhD candidate (Nursing)–committee  
Priti Khanal, MPH (Public Health)–chair
- 2011-12  
Marcy Berger, PhD (Planning and Policy Development)–committee
- 2010-11  
Feride Fresch, PhD (Public Health)–chair  
Samantha Cole, MPH (Public Health)–chair  
Natasha Norville, MPH (Public Health)–chair  
Christopher Black, MPH (Public Health)–co-chair
- 2009-10  
Marilyn Guidry, PhD (Geography)–committee
- 2006-07  
\*Christopher Hanson-Sanchez, PhD (Planning and Policy Development)–chair
- 2005-06  
#\*Mel Kantor, DMD, PhD (Public Health)–chair
- 2004-05  
\*Lauren Arnold, PhD (Public Health)–committee  
Cara DiCristina, MPH (Public Health)–chair  
Megan Fisher, MPH (Public Health)–chair
- 2003-04  
#Carlos Benito, MD, MPH (Public Health)–chair  
Jacqueline Green, MPH (Public Health)–chair  
#Kerry Hennessey, MPH candidate (Public Health)–chair  
#Natasha Henry, MPH (Public Health)–chair  
\*Larry Radican, PhD (Public Health)–committee
- 2002-03  
#Jung Kim, MPH (Public Health)–chair  
\*Peggy Wong, PhD (Public Health)–committee
- 2001-02  
#Sharon Smith, MPH (Public Health)–chair  
#\*Nancy Connolly, MPH (Public Health)–chair
- 2000-01  
\*Mark Cornfeld, MD, MPH (Public Health)–chair  
\*Kenneth T. LaPensee, PharmD, MPH (Public Health)–chair  
\*Sandra Wardlow Hamelsky, PhD (Public Health)–chair  
\*Wansoo Im, PhD (Planning and Policy Development)–committee  
\*Victoria Kirkland, PhD (Nursing)–committee  
Michelle Robbins, MPH (Public Health)–chair  
Steve Williams, MPH (Public Health)–chair  
Lisa McCartney, MPH (Public Health)–chair
- 1999-00  
\*Jamie Moskowitz, MPH (Public Health)–chair  
Lakeisha Sykes, MPH (Public Health)–chair  
\*Ronald Shannon, MPH (Public Health)–chair  
Paula Rinaldi, MPH (Public Health)–chair  
Richard Fosko, MPH (Public Health)–chair

1998–99

Joyce Bulger-Noto, MPH (Public Health)–chair  
\*Barbara Delano, MD, MPH (Public Health)–chair  
\*Mel Kantor, DMD, MPH (Public Health)–chair  
#Meryl Latsko, MD, MPH (Public Health)–committee

***Student received the Poster Prize at the annual meeting of the NJ Public Health Association, Oct 1998.***

1997–98

\*Katharine Tyler Miller, PhD (Planning and Policy Development)–committee member  
Jennifer Flaherty, MPH (Public Health)–chair  
Jeff Wiswell, MPH (Public Health)–chair  
\*Stephen Marcella, MD, MPH (Public Health)–chair

1996–97

Rita McWilliams, MPH (Public Health)–chair  
Susan Plano, MPH (Public Health)–chair  
Cheryl Wulf, PharmD, MPH (Public Health)–chair  
#Claire Gargan, MA (Geography)–chair

***Student received the Jacques May Thesis Prize for the best thesis in Medical Geography given by the Association of American Geographers (national award) in 1996.***

1995–96

Sherie Wolpert, MPH (Public Health)–chair  
Henry Skirbst, MA (Geography)–committee

*Undergraduate honors thesis supervision:*

2009–10      Daphne Duperville–Mabel Smith Douglass College Honors–chair  
2007–08      #\*Jessica Sandfort – University College Honors–committee  
                 Ayana April – Mabel Smith Douglass College Honors–chair  
                 Danielle Wright – Henry Rutgers College Honors–chair  
                 Ailya Naqvi – Bloustein Research–chair  
2004–05      \*Jessica Transchell – Mabel Smith Douglass College Honors–chair  
2003–04      Shwetha Iyer – Henry Rutgers College Honors–chair  
2001–02      Sonia Malkani – Rutgers College Honors–chair  
2000–01      Joanne Lee – Henry Rutgers College Honors–chair

*High school honors thesis supervision:*

2011–12      Olivia Bauer – Westchester High School, Westchester, NY  
2005–06      §#\*Jonathan Jacobs – Westchester High School, Westchester, NY

*Notes to students supervised:*

#Student presented a paper or poster of this work at one or more professional meetings.  
\*Student published an authored or co-authored refereed journal article from this work.  
§Student won a national science award for this work.

***Human Subjects Certifications***

08/25/00 NIH, Protecting Human Research Participants Course (#967237655)  
04/06/01 Rutgers, Human Subjects Compliance Program  
04/10/07 UMDNJ, CITI - Human Subjects Basic Course (#972902)  
08/12/10 NIH, Protecting Human Research Participants Course (#488414)  
08/12/10 Rutgers, Human Subjects Research Certification Program  
08/12/10 UMDNJ, CITI – Human Subjects Refresher Course (#4751045)  
08/22/10 Rutgers, CITI – Responsible Conduct of Research Course (#4792068)
