

Setting up WebDAV for Windows Vista

*Disclaimer – This solution worked using Windows Vista Enterprise edition. It has not been tested on all versions of Vista.

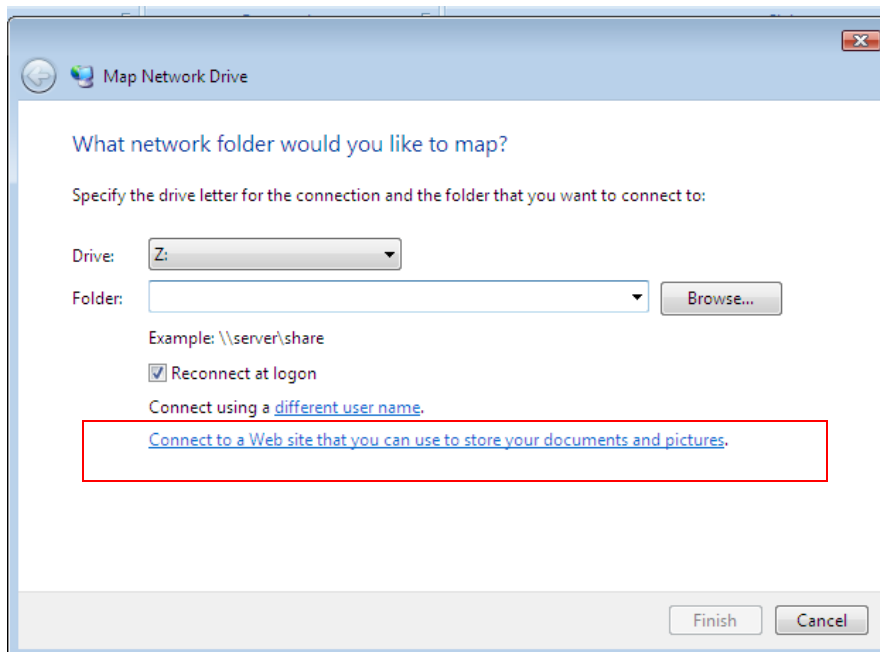

1. Download and Install the [Software Update for Web Folders \(KB907306\)](http://www.microsoft.com/downloads/details.aspx?FamilyId=17C36612-632E-4C04-9382-987622ED1D64&displaylang=en) from Microsoft (http://www.microsoft.com/downloads/details.aspx?FamilyId=17C36612-632E-4C04-9382-987622ED1D64&displaylang=en)

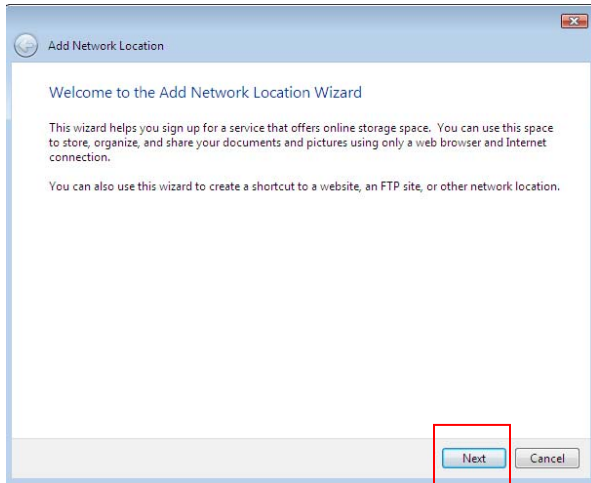

2. **Click on the windows icon**
 - a. **Right Click** on Computer and
 - b. choose **Map Network Drive**

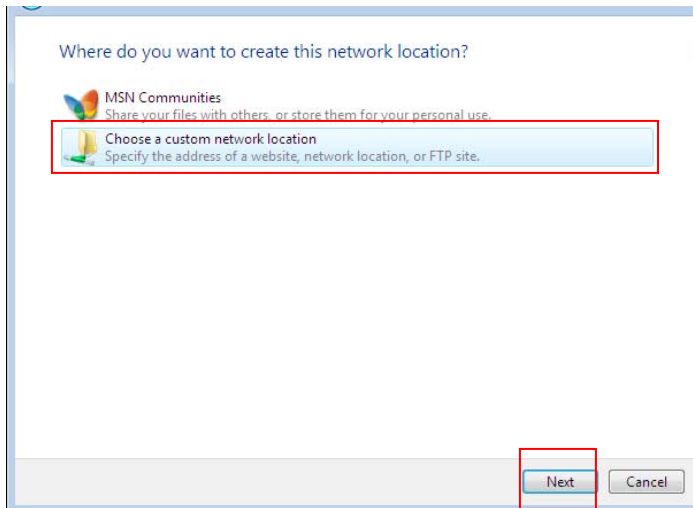

3. Click on the link at the bottom of the next box that says “ Connect to a Web site that you can use to store your documents and pictures”

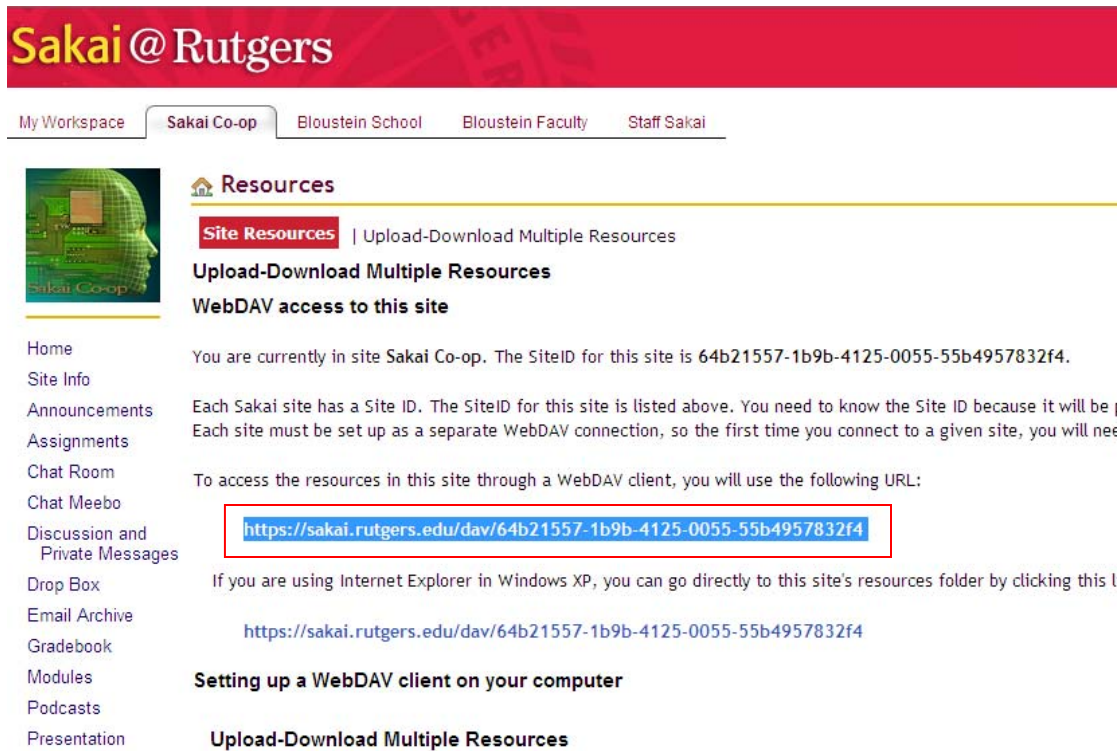

4. Click **Next** on the Welcome screen

5. Click on the Choose a custom network location and click Next

6. Go to the Upload-Download Multiple Resources area in your Sakai site. **Copy the URL**

WebDAV access to this site

Home | Site Info | Announcements | Assignments | Chat Room | Chat Meebo | Discussion and Private Messages | Drop Box | Email Archive | Gradebook | Modules | Podcasts | Presentation

You are currently in site Sakai Co-op. The SiteID for this site is 64b21557-1b9b-4125-0055-55b4957832f4.

Each Sakai site has a Site ID. The SiteID for this site is listed above. You need to know the Site ID because it will be used to access the resources in this site through a WebDAV client, so the first time you connect to a given site, you will need to set up a separate WebDAV connection.

To access the resources in this site through a WebDAV client, you will use the following URL:

<https://sakai.rutgers.edu/dav/64b21557-1b9b-4125-0055-55b4957832f4>

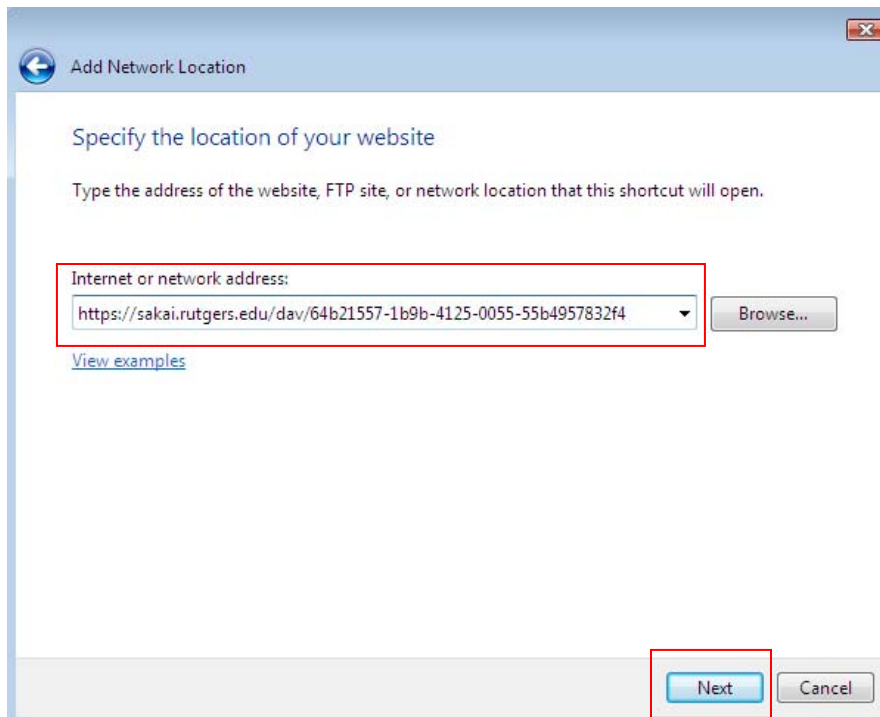

If you are using Internet Explorer in Windows XP, you can go directly to this site's resources folder by clicking this link:

<https://sakai.rutgers.edu/dav/64b21557-1b9b-4125-0055-55b4957832f4>
